

DONATIONS POLICY

All donations received by the YWAM Foundation are gifts used to further the religious and charitable purposes of Youth With A Mission.

The distribution of funds is restricted those ministries, programs, and projects deemed by the Board of Directors to be charitable activities of Youth With A Mission.

In the event that funds are received for a ministry, program or project that is completed, or deemed ineligible to receive funds, the Board of Directors may redirect any and all remaining funds where most needed within Youth With A Mission.

All contributions must be directed solely to Youth With A Mission; all donations must be given absolutely for the ministries, programs and projects of Youth With A Mission.

All donations to Youth With A Mission are pooled in a general account prior to distribution to ministries, programs and projects in Canada and around the world.

This policy is applied to all funds received by our office.

At this time, we are only able to process contributions for participants enrolled in Discipleship Training Programs (DTS) at YWAM locations **IN CANADA**.

Participants enrolled in a DTS **OUTSIDE of CANADA** are **NOT eligible**.

A tax-deductible receipt for charitable donations will be mailed out monthly, or annually in January, upon request. Funds are distributed to the missionaries on the 21st day (or closest business day) of every month, in the appropriate currency.

A 2.5% fee is applied to every donation received to cover administrative costs. Donations received through CanadaHelps and Chimp are subject to additional service charges at time of processing.
